

Datavo Mobile Privacy Policy

This Privacy Policy ("Policy") describes how Datavo Mobile will collect, access, use or disclose your personal information. It applies to all of our products, services, and web sites ("Services"). A few of our Services are covered by different privacy policies and in the event of a conflict between the two, the product or service specific policy governs. For example, we may have a separate policy or agreement for certain products, services or brands. Our collection, access, use, disclosure and safeguarding of your personal information is subject to U.S. law.

INFORMATION COLLECTED

We collect personal information about you in various ways. We may also get information from other sources, including from affiliates, and may combine it with information we collect about you. Personal information does not include information that is not used to identify you, including aggregate or anonymous information.

Information you give us. The personal information we collect includes information you give us, such as name, postal address, telephone number, e-mail address, date of birth, social security number or other government identification number, demographics, activities, location information, and personal preferences. You may give us information in a variety of ways, including when you sign up for Services, communicate with customer care or register on www.datavomobile.com.

Information that we automatically collect. We automatically receive certain types of information whenever you use our Services. We may collect information about your device such as the type, version of operating system, signal strength, whether it is on and how it is functioning, as well as information about how you use the device and services available through it, such as your call and data usage and history, your location, web sites you have visited, applications purchased, applications downloaded or used, and other similar information. We may link information we automatically collect with personal information, such as information you give us at registration or check out. We may use systems or tools to follow your use of our Services and other applications, including using cookies, web beacons and other mechanisms, along with analysis of network and device information. For example, we allow collection by analytic service provider(s) of site click-stream and cookie data to help us track aggregate and individual use of our Services. We sometimes use cookies to enable features on our sites, such as the ability to save your shopping cart or set preferences. Advertisers and advertising networks that serve ads on our sites may also use their own mechanisms, including cookies. These third party cookies or tools are governed by the privacy policies of the entities placing the ads and are not subject to this Policy.

USE OF PERSONAL INFORMATION

We use your personal information for a variety of purposes, including providing you with Services. We use your personal information to do things like:

- Process your orders.
- Protect our rights and property and those of our customers.
- Respond to legal process and emergencies.
- Develop or inform you of new products and services.
- Anonymize or aggregate personal information for various purposes like market analysis or traffic flow analysis and reporting.
- Monitor, evaluate or improve our products, Services, systems, or networks.
- Customize or personalize your experience with our Services.
- Customize or personalize online advertising to bring you information about products and services of Datavo Mobile or others that may interest you, including co-branded offers.

INFORMATION WE SHARE

We do not share information that identifies you personally with third parties other than as follows:

Affiliates. We may share personal and non-personal information with affiliated entities for approved business purposes.

Service Providers. We may share personal information with third parties who perform services on our behalf.

Group Account Holders. We offer group accounts to business and government customers, family customers and other group account holders ("Group Accounts"). The account holder for Group Accounts is the entity or person that buys the service or product for its employees, family members or other authorized users. You (as the user of a device) may receive service, certain pricing, terms or other benefits through a Group Account with us. If so, we may share with that Group Account holder customer registration and other information related to your use of our services.

Third Party Verification Services. We may share limited personal information (e.g., address, phone number) with non-Datavo Mobile entities to assist with identity verification, and to prevent fraud and identity theft.

Other Third Parties with Your Consent. We may share information with other third parties with your consent. For example, you may agree to our sharing your information with other third parties to hear about their products and services. Use of the information you agree to share will be subject to those third parties' separate privacy policies.

Disclosures to Third Party Application and Service Providers. You may choose to use services and products offered by third parties through our Services or devices such as third party applications. When you leave our network you may also use mobile roaming services provided by third parties. Your use of such services and applications may result in these third parties collecting your personal information and obtaining information from Datavo Mobile, including

location information (when applicable). You may also choose to give personal information directly to third parties when using our Services. In each case, personal information you give a third party will be subject to its terms, conditions, and policies—not this policy. You should review a third party's privacy policy and terms of service before providing your information or using the service.

Business Transfers. Personal information about you may be disclosed as part of any merger, acquisition, sale of company assets or transition of service to another provider. In the unlikely event of an insolvency, bankruptcy or receivership, personal information may also be transferred as a business asset.

Protection of Datavo Mobile and Others. We may access, monitor, use or disclose your personal information or communications to do things such as:

- comply with the law or respond to lawful requests or legal process;
- protect the rights or property of us, our agents, members, our customers, and others including to enforce our agreements, policies and terms of use;
- respond to emergencies;
- initiate, render, bill, and collect for services; or
- facilitate or verify the appropriate calculation of taxes, fees, or other obligations due to a local, state, or federal government requirement; or determine eligibility for government benefits.

We may share information that is de-identified or in an aggregated form that does not directly identify you. We share de-identified or aggregate information for purposes such as to:

- Conduct market or traffic flow analysis and reporting or produce or facilitate production by others of business and marketing reports to share with third parties. For example, we may aggregate customer information across a particular region and create a report showing that 10,000 subscribers from a given city visited a sports stadium. If you do not wish for us to use your information to produce de-identified and aggregated data sets in the reports we share with third parties, you may opt out at any time. See [com/privacy](#) for details.
- With your opt-in consent only, customize or personalize advertising based on information we collect about your use of your wireless device in order to provide wireless service to you. For example, we may use information about your mobile web browsing or use of mobile applications to deliver advertisements tailored to your interests, and we may share de-identified information about your use of your device with third parties so that they can tailor advertising to your interests based on that information. To participate in this program, you must opt in.

NETWORK AND INFORMATION SECURITY

We maintain a variety of physical, electronic, and procedural safeguards. These safeguards help protect your personal information from loss, misuse and unauthorized access, disclosure, alteration and destruction. Be sure to use a strong password to access your information on www.datavomobile.com and not one you use for other services.

INFORMATION CHOICES AND CHANGES

We offer you choices regarding how we contact you for marketing-related communications and whether we use information regarding your online or mobile web activities for marketing purposes. We also offer you choices regarding the use of de-identified information to make ads you see on your mobile device more relevant and to produce or facilitate production of business and marketing reports shared with third parties. Visit www.datavomobile.com to learn about your choices and how to register your privacy preferences with us.

As described above, we work with advertisers and advertising networks that serve ads on our sites and that may use cookies, web beacons and other technologies to collect information about your use of our sites and other websites. This information may be used to, among other things, analyze and track data, determine the popularity of certain content, deliver advertising and content targeted to your interests on other websites and better understand your online activity. To find out more about targeted advertising and/or to "opt out" of automatic collection of information for this purpose, visit <http://www.aboutads.info/choices/>.

You also may register a do-not-contact request by calling Datavo Mobile customer care or sending an email to mobilesupport@datavo.com. If you register a do-not-contact request, we still may contact you for non-promotional purposes, such as emails or wireless messages related to your accounts or our ongoing business relations. For details on Datavo Mobile's do-not-contact practices, including how we honor consumer and business customer do-not-contact requests, please visit www.datavomobile.com.

If you disable cookies on your Internet browser, you also may stop some collection and use of data when you visit our web sites. If you would like to change certain Datavo Mobile account information, you may create an online account and manage your account online. For more information, visit www.datavomobile.com.
